Crazy Criminals

Authors often use criminal masterminds in their detective stories, but real life criminals are not always that clever. Take the case of the man who got **1)** because he had a sweet tooth.

The man broke into an elderly couple's house late on Tuesday night. Luckily, a witness

2) him at the scene of the crime and called the police. When he was arrested, the man denied knowing anything about the burglary. However, the police found his

3) on a biscuit box in the house. Apparently, he had been feeling

4) while he was robbing the house, and he had helped himself to a

snack! The man stood trial yesterday and the judge sentenced him to seven years in prison. It ended up being a very **5)** snack indeed!
