A number of doctors now send their patients to our informal dance classes to discover the health benefits of dancing. We plan to increase the number of these classes, so we need fit and creative people to lead them. Classes sometimes take place outside office hours, including weekends.

Do you know the city of Greenthorpe and the nearby countryside well? Do you enjoy meeting and talking to people? You could be perfect for this role. Our tour guides work with small groups, so you don't need to be able to drive a large vehicle. You must, however, be a driver with more than three years' experience.

We need someone with excellent computer skills to work four afternoons a week. You will help to prepare company announcements and newsletters. You will also write and send out emails to all staff. We are particularly interested in applications from people who know at least one European language.
